Watercolor Enhanced

Instructor: Judith Joseph

Suggested Supplies

Please note: Supplies for this class are not brand-specific. If you already have a watercolor paints, brushes, pastels, colored pencils and/or watercolor pencils, please use them. These items are listed for students needing new supplies.

Larger sets of Prismacolor colored pencils, Derwent watercolor pencils and Design Nupastels may be ordered. The Cotman brand of watercolors are a good value for student grade paints; I do not recommend Reeves brand.

Additional supplies: Aluminum ruler 18", #2 pencils, 1 roll paper towels.

OPTIONAL: [Derwent water-soluble sketching pencils](#)

Items are listed with inventory # from [Dick Blick](#), and may be ordered online.
