

THE ART CENTER  
HIGHLAND PARK

# Introduction to Steel Workshop

Instructor: Suzanne Santos

[suzanne.santos1@gmail.com](mailto:suzanne.santos1@gmail.com)

Steel will be provided by The Art Center Highland Park

It is a good idea to bring the following, however:

- A container such as a pencil box to carry your works in progress
- A sketch book
- A pencil
- Any hand tools like pliers, files, cutters, that can be used on steel. Do not bring the same tools that you use for non-ferrous metal.
