

Silk Painting Supply List

Linny Freeman—847-331-9111,

e-mail: coaledesign@yahoo.com

Website: www.coaledesign.com

Please bring these items to the first class:

4 (1" x 2") furring strips or a wooden stretcher, metal pushpins, hammer, 4 C-clamps (at least 2" deep), wide masking tape (2" or 3").

Consider the size of the silk painting when choosing a wooden frame for your work.

The following list will be discussed on the first class:

Dyes—Tinfix Design, Dupont and Jacquard Silk are the best (don't buy Dye-na-Flow)

Brushes—a variety of sizes will help (sm., med., lg.) - soft synthetics or bamboo

Rubbing alcohol

Masking tape—2 or 3 inches is best

Metal pushpins
Paper towels (we supply in class)
Gutta resist—water or spirit based (we supply in class)
Gutta applicator bottle
Gutta tip—goes with the applicator bottle
White plastic palette or white ice cube tray
Small bottle of solvent (for spirit based resist)
Silk—(we supply some silk in class)
2 (1" x 2") furring strips cut to size—your choice
4 C-clamps—at least 2 or 3 inches deep
Hammer
Eye dropper
Plastic tub or bag to put supplies in
Scissors
Drawing pad and pencils, markers, pens, etc.
Sm. jars or plastic containers
