Students taking 9/10-week classes will receive a 25 lb. bag of clay. Students taking 4/5-week classes will receive a 12.5 lb bag of clay. Glazes and firings are included in the cost of their class. More clay is available to purchase in the studio or through our website.

Due to COVID-19 students will need to bring their own tools, a 1-gallon bucket, large heavy duty sponge, apron and a small container for water.

You can purchase a tool/supply kit through TACHP that contains an 8-piece toolkit (recommended by our instructors), a 1-gallon bucket and a heavy duty sponge. Students will need to supply their own apron and a small container for water.

Please bring your own towel if desired. Students will be requested to keep their tools at TACHP for the duration of their class and will have their own shelf to store these items.
