

# IN-PERSON OPEN STUDIO/CLASS SAFETY PROTOCOL

Effective 11/28/22

**Please read this document in full.**

Please note that protocols and requirements may be changed to accommodate future in-person classes or updated recommendations by health officials.

## **TACHP BUILDING SAFETY PROTOCOLS**

Based on the following:

- <https://www.cdc.gov/coronavirus/2019-ncov/your-health/if-you-were-exposed.html>
- <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/quarantine.html>
- <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html#:~:text=At%20All%20COVID%2D19%20Community,by%20local%20or%20state%20authorities>

## **BUILDING ENTRY and MASK POLICY**

Starting **November 28**, facemasks are no longer required but strongly recommended for visitors, students, and faculty while at TAC. Facemasks are required for those returning after a Covid-19 Exposure. (See **Exposure to Covid-19**.)

## **CLASSROOM PROTOCOL**

- Please arrive no more than 15 minutes before your scheduled class time. You may not enter your classroom if there is another class present.
- Please go straight to your classroom and check in with your instructor upon entering the building
- Class sizes are based on the size of the classroom and student age.

## **CLEANING**

- Hand sanitizer is located in each classroom and around the building.
- There are contactless soap and paper towel dispensers in every classroom and bathroom
- Our HVAC system constantly circulates fresh air into the rooms

**GENERAL HEALTH AND SAFETY**

- Please wash and sanitize hands regularly.
- Elevator allows for two people at one time.

**EXPOSURE TO COVID-19**

- Any individual exposed to COVID-19 may attend class, provided they are not exhibiting any symptoms, wear a tight-fitting mask (N95 or Kn95), and maintain social distancing for 10 days.
- If you begin to experience symptoms of Covid-19 during the 10 days, you must isolate and take a [Covid-19 test, 5 days after onset of symptoms.](#)

**TEST POSITIVE FOR COVID-19**

- Any individual that tests positive for COVID-19 must isolate for 10 days starting from test date or onset of symptoms.
- If you begin to show symptoms after your test date, the 10-day quarantine restarts.
- Individuals may return to TAC **5 days after initial test date OR onset of symptoms** if they are no longer exhibiting symptoms and wear a tightfitting mask until [11 days after test date or onset of symptoms.](#)

I have read, understood, and will comply with the conditions and protocols listed in this document. Furthermore, I agree to hold harmless The Art Center, its faculty, staff, board, or anyone connected to it, for any possible exposure to COVID-19 that might occur as a result of my participation in any programs I voluntarily attend.
